

CUMBERLAND COUNTY REPUBLICAN WOMEN'S CLUB SPONSORSHIP OPPORTUNITIES

Support the Cumberland County Republican Women's Club

Since 1961, the Cumberland County Republican Women's Club (CCRWC) has been a driving force in our community—uniting women who are dedicated to promoting the values and principles of the Republican Party. Our members are passionate about advancing conservative ideals, strengthening our local community, and making a meaningful impact at the county, state, and national levels.

CCRWC actively supports Republican candidates, hosts educational and community events, and encourages women to pursue leadership roles within the party. But our work extends far beyond politics. We are committed to service—organizing outreach initiatives, supporting local causes, and offering scholarships that empower young people to pursue higher education.

How Your Sponsorship Helps

Your support directly strengthens CCRWC's mission by helping to:

- Support community service programs and outreach projects
- Provide resources for educational events, candidate support, and voter education
- Expand opportunities for women to develop leadership skills and engage in the political process
- Host impactful gatherings that bring our community together around shared conservative values
- Support students pursuing college or vocational education

Your partnership ensures that we can continue making a positive difference in Cumberland County and beyond.
